

ALLOVIR, INC.

AUDIT COMMITTEE CHARTER

I. General Statement of Purpose

The purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of AlloVir, Inc. (the “Company”) are to (A) assist the Board of Directors (the “Board”) in its oversight of (1) the integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the Company’s independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (the “Independent Auditors”), and (4) the performance of the Company’s internal audit function; and (B) prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

II. Composition

The Audit Committee shall have at least three (3) members, each of whom is a member of the Board (a “director”) who: (1) is “independent” as defined in Rule 5605(a)(2) under the Listing Rules of The Nasdaq Stock Market LLC (the “Nasdaq Rules”); (2) meets the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) has not participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, one director who is not “independent” as defined in Rule 5605(a)(2) under the Nasdaq Rules but satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder and is not a current officer or employee or a Family Member (as defined in the Exchange Act) of such officer or employee, may serve on the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the director is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination (or, if the Company does not file a proxy statement, in its Form 10-K or 20-F), the nature of the relationship and the reasons for that determination. A director serving on the Audit Committee under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or comparable experience or background that results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. One or more members of the Audit Committee may qualify as an “audit committee financial expert” under the rules promulgated by the SEC.

The members of the Audit Committee shall be appointed by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically constitute resignation or removal, as applicable, from the Audit Committee. Vacancies, for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chair (the “Chair”) of the committee.

No member of the Audit Committee may simultaneously serve on the audit committee of more than three (3) issuers having securities registered under Section 12 of the Exchange Act, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

III. Compensation

A member of the Audit Committee may not, other than as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors’ fees to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member.

IV. Meetings

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Audit Committee Charter (the “Charter”), but not less frequently than quarterly. The Audit Committee can meet in person or by conference telephone or other communications equipment by means of which all participants in the meeting can hear each other. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by vote of a majority of members present at a meeting. In lieu of a meeting, the Audit Committee may act by unanimous written consent in accordance with the Company’s by-laws. The Chair of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Charter.

Periodically, the Audit Committee shall also meet separately with management, with internal auditors (or other personnel responsible for the internal audit function) and with the Independent Auditors.

V. Responsibilities and Authority

A. Review of Charter. The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend to the Board any amendments or modifications it deems appropriate.

B. Periodic Performance Evaluation of the Audit Committee. Periodically, the Audit Committee shall evaluate its own performance and report the results of such evaluation to the Board.

C. Matters Relating to Selection, Performance and Independence of Independent Auditors.

1. The Audit Committee shall be directly responsible for appointing, retaining and terminating, and for determining the compensation, of the Company's Independent Auditors. The Audit Committee may consult with management in fulfilling these duties, but may not delegate these responsibilities to management.
2. The Audit Committee shall be directly responsible for overseeing the work of the Independent Auditors (including resolving disagreements between management and the Independent Auditors regarding financial reporting).
3. The Audit Committee shall instruct the Independent Auditors that the Independent Auditors shall report directly to the Audit Committee.
4. The Audit Committee shall pre-approve all auditing services and the terms of those services (which may include providing comfort letters in connection with securities underwritings) and non-audit services to be provided to the Company by the Independent Auditors (other than non-audit services if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied and non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board (the "PCAOB")). The Audit Committee may delegate authority to pre-approve non-audit services to its Chair, who shall report all pre-approval decisions to the Audit Committee at its next scheduled meeting.
5. The Audit Committee may review and approve the scope and staffing of the Independent Auditors' annual audit plan(s).
6. The Audit Committee shall (1) request that the Independent Auditors provide it with the written disclosures and the letter required by PCAOB Rule 3526 ("Rule 3526"), (2) require that the Independent Auditors submit to the Audit Committee at least annually a formal written statement describing all relationships between the Independent Auditors or any of its affiliates and the Company or persons in financial reporting oversight roles at the Company that might reasonably be

thought to bear on the independence of the Independent Auditors, (3) discuss with the Independent Auditors the potential effects of any disclosed relationships or services on the objectivity and independence of the Independent Auditors, (4) require that the Independent Auditors provide to the Audit Committee written affirmation that the Independent Auditor is, as of the date of the affirmation, independent in compliance with PCAOB Rule 3520 and (5) based on such disclosures, statement, discussion and affirmation, take or recommend that the Board take appropriate action in response to the Independent Auditors' report to satisfy itself of the Independent Auditors' independence. In addition, before approving the initial engagement of any Independent Auditor, the Audit Committee shall receive, review and discuss with the audit firm all information required by, and otherwise take all actions necessary for compliance with the requirements of, Rule 3526. References to rules of the PCAOB shall refer to any substantially equivalent rules adopted to replace the rules referred to above, in each case as subsequently amended, modified or supplemented.

7. The Audit Committee may consider whether the provision of the services covered in Items 9(e)(2) and 9(e)(3) of Regulation 14A of the Exchange Act (or any successor provision) is compatible with maintaining the Independent Auditors' independence.
8. The Audit Committee shall evaluate the Independent Auditors' qualifications, performance and independence, and shall present its conclusions to the full Board. As part of its evaluation, at least annually, the Audit Committee shall:
 - obtain and review a report or reports from the Independent Auditors describing (1) its internal quality-control procedures, (2) any material issues raised by its most recent internal quality-control review or peer review or by any inquiry or investigation by government or professional authorities, within the preceding five years, regarding one or more independent audits it has conducted, and any steps it has taken to address any issues that were identified, and (3) to assess its independence and all relationships between it and the Company;
 - review and evaluate the performance of the Independent Auditors and the lead partner (and the Audit Committee may review and evaluate the performance of other members of the Independent Auditors' audit staff); and
 - assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) as required under the Exchange Act and Regulation S-X.

In this regard, the Audit Committee also shall (1) seek the opinion of management and the internal auditors of the Independent Auditors' performance and (2) consider whether, to assure continuing auditor independence, the audit firm engaged by the Company to serve as Independent Auditors should be regularly changed.

9. The Audit Committee may establish, or recommend to the Board, policies with respect to the potential hiring of current or former employees of the Independent Auditors.

The Audit Committee shall review and discuss with the Independent Auditors (outside of the presence of management) how the Independent Auditors plan to handle their responsibilities under the Private Securities Litigation Reform Act of 1995, and request assurance from the Independent Auditors that Section 10A(b) of the Exchange Act has not been implicated.

- 9. If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the Chief Executive Officer and Chief Financial Officer of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Company's ability to record, process, summarize and

report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting.

10. Based on the Audit Committee's review and discussions (1) with management of the audited financial statements, (2) with the Independent Auditors of the matters required to be discussed by SAS 61, and (3) with the Independent Auditors concerning the Independent Auditors' independence, the Audit Committee shall make a recommendation to the Board as to whether the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the last fiscal year.
